EuroTier '10

Hannover Exhibition Halls 16 – 19 November 2010

At the Dutch Pig Boulevard, you'll find everything you need in the field of intensive pig farming. We are the cooperation of Dutch companies who can offer you the ultimate range. Everything you need to keep pigs will be presented to you in an orderly and attractive way. We've bundled practical solutions and new innovations for you, to get you up to date fast. In other words: you can't afford to miss the Dutch Pig Boulevard!

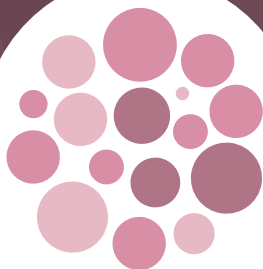

Bouwimpex

Bouwimpex is the producer of Europe's most successful plastic stall units programme. This Bouwplast-*plus* programme has a unique, double sided rubber click seal, which results in a seamless, hygienic panel connection. Furthermore, the Bouwplast-*plus* programme is one of the most sturdy panels, with thousands of satisfied customers worldwide. Modern plastics for modern pig husbandry.
